Sri. K. P. Nilakanta Pillai: Sir. on a point of order. The motion made for the third reading of this bill is out of order as it is not mentioned whether there have been any amendments or not. If there were amendments passed by this House it should be stated when moving "the Bill may be passed subject to the amendments adopted by this House". Then only a Bill can be passed finally.

Mr. Speaker: I do not think that is necessary.
